User Guidelines for E-Voting

Welcome to the e-Voting platform! Please follow these guidelines to ensure a secure, fair, and smooth voting process.

1. Eligibility to Vote

- Only registered users are allowed to vote.
- Verify your identity as required before proceeding with voting.
- Ensure that you meet the age and legal requirements for voting.

2. Account Registration & Login

- Use your official credentials to register and log in securely.
- Do not share your login details with anyone to prevent unauthorized access.
- If you suspect any suspicious activity, report it immediately.

3. Voting Process

- Follow the instructions provided on the voting page.
- Carefully review your choices before submitting your vote.
- Once submitted, votes cannot be changed or canceled.

4. Security & Privacy

- The system is encrypted and secure to protect your personal data.

- Your vote remains confidential and cannot be traced back to you.
- Avoid voting on public or shared devices to protect your privacy.

5. Fair Use Policy

- Each user is allowed to vote only once per election/session.
- Any attempt to manipulate or tamper with the system is strictly prohibited.
- Report any technical issues or irregularities immediately.

6. Technical Support

- Ensure a stable internet connection before voting.
- If you experience issues, contact the technical support team.
- In case of system downtime, wait for official updates before retrying.

7. Compliance with Laws

- Users must follow all relevant laws and regulations regarding online voting.
- Any misuse of the platform may result in legal action.

For further assistance, please contact our support team. Thank you for participating in a secure and transparent e-Voting process!
